*A grant from Compassion Kansas is supporting this planning retreat to make a Fund Development Plan for the sustainability of the tiny-k Foundation as it provides sustainability to the local Networks.*

*No donors will be harmed during this adventure!*

- Lodging is completely safe from crawling jungle creatures.
- We will make your motel reservation. (Complete the registration form.)
- Camouflage apparel is acceptable!
- The schedule includes training by Seth Bate and Sam Demel of Compassion Kansas.
- An awesome panel of non-profit leaders with significant fund raising experience.
- Tram Tour of the Zoo.
- Ticket to the wildlife museum.
- "Nightcap Hour" session back at the hotel (led by Seth).
- Good food, fun and the opportunity to "hang out" with other individuals in *tiny-k* programs across the state.

**Learn about "the jungle" of fundraising for the *tiny-k* Foundation.**

**Understand the basic concepts of fund development and practice "making the ask".**

You will commit to the importance of a state organization!

You will commit to the responsibility of board members for fund development.

You will draft a fund development plan for *tiny-k* Foundation.

You will establish first-step actions to "put legs on the plan" and identify who will take those actions.

You will learn ways to leverage good ideas and personal influence.

**Maintaining a "base camp".**
